

**Valley Fever Americas Foundation**  
**Valley Fever Awareness Grant**

The Valley Fever Americas Foundation (VFAF) was founded in 1995 with a mission to promote awareness of and to support research on Valley Fever and the fungus that causes it. To further its mission, VFAF is pleased to offer the Valley Fever Awareness Grant. The purpose of this grant is to encourage innovative and creative ideas to increase Valley Fever awareness in the community.

- Elementary, Junior High and High school students and teachers who are interested in learning more about the impact of Valley Fever and increasing community awareness are eligible to apply.
- Organizations or individuals who are interested in activities and projects that promote valley fever awareness are eligible to apply.
- College students who are interested in conducting Valley Fever related research or projects are eligible to apply.

To receive the grant, the applicant must

- Complete the Valley Fever Awareness Grant application,
- Provide a brief description of the proposed activity or project.
- Explain how the activity or project will increase Valley Fever awareness in the community.
- Conduct the proposed activity or project to increase community Valley Fever awareness.
- Applicants may request up to \$1000 in funding. The amount awarded varies based on the complexity of the project. The board may require additional information, ie: budget proposal.

Recipients of the award are required to submit a presentation, such as PowerPoint, infographics, or flyers, on the outcomes of the funded project to the VFAF board. Acceptance of the grant implies consent to post the report on the VFAF website.

Submit completed application electronically to [grants@valleyfever.com](mailto:grants@valleyfever.com)

## Valley Fever Awareness Grant
